A screenshot of a mobile application titled "User-Dashboard". The app displays details for a user named "Mehmood". At the top, there is a status bar with the time "9:36" and various icons. Below the title, there is a large heading "This is Mehmood" and a subtitle "Welcome to PASBAN". The main content area is a white card with rounded corners. It has a "Details" section header. Under "Details", the name "Mehmood" is shown. To the right of the name is a black car. Below the car, the text "VIPBT" is displayed, followed by a redacted area. The "Car" field is labeled "Car" and the "Color" field is labeled "Color". The "Driving License" field is labeled "Driving License" and shows "...". The "License Expiry" field is labeled "License Expiry" and shows "...". The "Region" field is labeled "Region" and shows "...". The "Last DDC Result" field is labeled "Last DDC Result" and shows "...". The "Black Points" field is labeled "Black Points" and shows "14". At the bottom of the card, there is a profile picture icon and the text "Location" followed by "...". The bottom of the screen shows the Android navigation bar.

The screenshot displays the MEGATECH TRUCKING & LOGISTICS Trip Report app. At the top, the status bar shows the time 12:25 and various icons. The app header features the MEGATECH logo and a notification bell. The main section is titled 'Trip Report' and shows a date range from 16-Jun-2023 to 16-Jun-2023, with a 'SHOW' button. Below this is a 'Trips Summary' section with a table showing Mileage (0.60 Km), Average Speed (8.00 Km/Hr), and Max Speed (16 Km/Hr). A 'GENERATE PDF' button is located below the summary. The bottom section shows a list of trips, with the first trip highlighted: 16-Jun-2023 12:21, Total Distance Travelled (0.206 Km), Average Speed (8.00 Km/Hr), Max Speed (16 Km/Hr), and Total Idling (00:00:00). A double-headed arrow indicates a round trip, and a message states 'Last trip will be completed soon'.
